Learn about the work of Leonardo da Vinci in this study abroad course that will take you to see the paintings of Leonardo the Artist and designs and inventions of Leonardo the Scientist.

Where will we go and what will we do when we get there?

**ROME**
See the Colosseum, the Vatican museums and Sistine Chapel, and experience working models of Leonardo’s inventions in his museum

**FLORENCE**
Visit the Uffizi Gallery, one of the oldest museums in the world; see the Basilica di Santa Maria del Fiore, the world-famous Duomo; visit the Institute and Museum of the History of Science hosting the largest collection of Leonardo’s designs

**MILAN**
See restored Leonardo’s original The Last Supper, visit the world-famous Teatro alla Scala, and see why Milan is recognized as a world fashion and design capital

**When is the trip to Italy?** March 17-27, 2011

**How soon will I need to sign up?** The sooner the better, but no later than the registration deadline of December 1, 2010. Space is limited, so don’t delay!

**How do I find out more?** For more information contact
