Making Science Connections Abroad: London and Paris

Interdisciplinary Science (ISCI) 104: Science Connections
Counts toward the Study Area IV: Natural Sciences
Partially fulfills the International Requirement
Perfect course for non-science majors

Where and when will this course take place?
CCSU: October 24 to December 8, 2012
Paris, France: January 2 to January 8, 2013

How soon will I need to sign up?
The sooner the better, but no later than the registration deadline of October 1, 2012.
Space is limited, so don’t delay!

How do I find out more?
For more information contact:
Prof. Stan Kurkovsky, Department of Computer Science
860-832-2720, kurkovskysta@ccsu.edu, or
Center for International Education
www.ccsu.edu/LondonParis or scan the QR code

This course abroad will take you on a journey through the history of scientific discovery, the Age of Enlightenment and the Industrial Revolution, leading to the science and technology of today.

Where will we go and what will we do when we get there?

First, London...
- British Museum
- Westminster Abbey
- National Gallery
- Victoria and Albert Museum
- Tower Bridge
- Tate Modern
- Natural History Museum
- British Library
- Science Museum

And then...
- Celebrate the New Year in London
- Take a high speed train under the English Channel from London to Paris

And finally, Paris
- The Louvre
- Eiffel Tower
- Musée de l'Orangerie
- Arc de Triomphe
- Musée d'Orsay
- Notre Dame Cathedral
- Montmartre
- Opera de Paris
- Basilique du Sacré-Coeur
